NOTES:

1. Collage Credit Academic Calendar is subject to change. Please contact the college for details.
2. Reserves and course offerings: not all courses are offered each session, nor are all sessions offered at all colleges. Please contact the college for details.
3. New Students: all new students are strongly encouraged to complete the Advising and Registration processes as early as possible, preferably by mid-July for fall semester students. The Advising process for new students includes placement testing, new student orientation, financial aid processing, career advising and academic program selection, and initial course selection. Please see your Academic Advisor to begin the advising and registration process.
4. Continuing Students: continuing students are strongly encouraged to complete the registration process as early as possible to ensure the best course and schedule availability. Please see your Academic Advisor prior to registering to discuss your career and education goals, academic progress, graduation requirements and your progress through graduation, course selection, and financial aid.
5. Priority Registration: students who move between 3 credits left to complete their undergraduate, master’s, and doctoral programs are eligible for priority registration. Please review your current appointment status in the student portal for confirmation of registration period.
6. Late Registration Deadline: students registering during this time must follow the required payment deadline date-time.
7. Schedule Revision Period: college credit students who have enrolled in at least one class prior to the start of the summer session are permitted to make changes to their 16-week course during the first week of class. See Schedule Revision Period guidelines.
